Richard,

An updated agreement is signed, and should be on your way to you today. In addition, we are considering publishing a notice in the federal register once the updated agreement is executed. An FR notice has not been our recent practice- we have typically been updating PSD delegation agreements on our website, but not actively noticing them. However given the permitting activity that's ongoing, we thought it would be advisable in this instance.

Thanks,

Eugene

Eugene,

Here are the changes to the Delegation Agreement:

1. There is a period missing at the end of the first paragraph on page 6.
2. In the third line from the bottom of page 6, “day” should be plural.
3. Most importantly, the new signer is “Clint Hickman” instead of Steve Chuceri.

In a previous reading I know there is a word missing somewhere, but I did not mark it and cannot locate it again. Guess it can't be that important.

Please have your Director sign it again and forward back to me. As I mentioned previously, it is scheduled to go before the Board of Supervisors on February 3 for approval.

Thanks again for all of your help in getting this completed. The timing will work well.

Richard,

That shouldn't be a problem. If you want to send me a revised version, I'll get it re-signed.

Thanks,

Eugene

Eugene,

Good news – the delegation agreement is scheduled to be approved by the Maricopa County Board of Supervisors on February 3, 2016. Bad news – we will have a new Board Chairman between now and then so we will need a different name on the document. Once that becomes final and official on Jan 6 (I believe that is also when you return.), would it be possible to redo the document with the revised name. As a side note, there are a couple of typos I would like correct. Let me know.

Welcome to 2016!

Lisa, if you happen to be in this week, would you mind giving me a call. I have a couple of things I wanted to touch base with you on.

Thanks,

Richard,

Our acting Division Director, Elizabeth Adams, has signed the updated PSD delegation agreement. Two hardcopy, signed originals are being mailed to you. Once the Chairman of the Board of Supervisors has signed both, please forward one back to us for our retention. An electronic version is attached for reference purposes.

Thanks,

Eugene
